

2023 Discovery Education Summer Fun Activities

Who?

Students in grades PreK through 12 during the 2022-2023 school year.

What?

Access to pre-assigned engaging and fun activities and lessons from the Discovery Education student dashboard.

Elementary and Middle School Students (PreK-8):

- *Explore engaging activities and lessons on a variety of topics, play interactive games, and/or go on a virtual field trip without having to leave home!*

High School Students (9-12):

- *Review or prepare for Algebra 1, Biology, and/or American Literature with supplemental lessons.*

When?

Friday, June 9 – Sunday, July 30, 2023

Navigating Discovery Education

Students can access **DE** from the M-DCPS portal from any browser and device.

Once signed in, view the summer **student assignments** at the top of your homepage. Select the assignment(s) to see details.

Finished with all the summer activities and lessons? **Explore DE** resources on a topic you're learning about or are curious about! Use the keyword box at the top of your homepage to get started.

- 1 Log into your **portal** at: www.dadeschools.net
- 2 Click on the **Schoolology** tile.
- 3 In Schoolology, click on the 'waffle' and select **Discovery Education**. A new window will open.

No registration required.
